SCHAAD BALASS MENZL & PARTNER AG

PATENT AND TRADEMARK ATTORNEYS VSP / EUROPEAN PATENT ATTORNEYS

PATENTS TRADEMARKS DESIGNS

We are an internationally active firm of patent attorneys near the lake of Zurich.

We provide our clients with individual high level advice in all areas relating to intellectual property matters (patents, utility models, trademarks, designs, supplementary protection certificates, protection of plant varieties and topographies).

Our clients include individual inventors, small and medium-sized enterprises, large Swiss firms as well as foreign and overseas clients.

Our main activities:

- Preparation and filing of applications for industrial property rights (patents, supplementary protection certificates, utility models, trademarks, designs, protection of plant varieties, topographies) in Switzerland and abroad.
- Prosecution of applications in Switzerland and abroad
- Payment of maintenance fees for all types of industrial property rights
- Representation in opposition proceedings and appeals
- Searching and monitoring third party rights
- Analysis of third party rights
- Licensing agreements
- Providing strategic advice in the field of intellectual property
- Expert opinions
- Advice on further industrial property right issues (infringements, enforcements and defense of industrial property rights)

Fees

Fees are usually charged on an hourly basis. The hourly fees are determined by the complexity of the case, the professional experience and the special knowledge of the patent attorney.

Patent attorneys often require advance payments. Whether an advance payment is required will be decided by the partner in charge. In individual cases he can refrain from requesting an advance payment. Invoices are sent at intervals agreed with the client.

How to find us

From Zurich main station tram No. 4 (direction of „Tiefenbrunnen“). Get off at „Feldeggstrasse“. Follow the direction of the tram for 100 metres, then turn right into „Klausstrasse“. Turn left at the next corner, and you are here: „Dufourstrasse 101“.

Parking: There are a few parking spaces directly in front of the house. The „Feldegg“-Parking is just 3 minutes walking distance.

Map see page 3.
